“Where the Best are Sold”

Since its inception, The Iowa Shorthorn Breeders' Association has held State Sales that have established high marks each year for sales of this type. The reason for this is obvious. Iowa not only leads all states in Shorthorn production, but has a larger number of high class herds than any other state. From this source of supply, only the best cattle are accepted for State Sales. Buyers are aware of this reputation and the Annual Sales furnish bulls and females to customers hundreds of miles away. Sires of the 1941 offering include many champion bulls or bulls that have established national reputations as sires of winners. If you are looking for the best, we strongly urge you to attend this year's Sale at the Des Moines Fair Ground Pavilion, Monday, March 3d. If you cannot attend, be sure to delegate buying orders with someone who will attend. We have seen enough of these cattle to recommend them without reservation.—Clinton K. Tomson of The Shorthorn World.

Lavender 33d 2017936—Here is a dark roan straight-lined breeding prospect that will make a valuable addition to some select herd. An ideal foundation female if you don't happen to own a member of this family.

THE 1941 IOWA STATE SALE

Helfred Beauty 6th

Helfred Beauty 6th 2009648. In our opinion this is the most promising prospect for a breeding female that we ever offered. She is beautifully balanced, has a wonderful covering of thick natural flesh with a sweet feminine head, level lines and short legs. She is bred to Sunray and is out of the same dam as the dam of the 1940 International Junior Champion bull Maxwalton Proud Emblem. A better combination than this is seldom offered in any sale.

She sells bred to Sunray, 1940 International Grand Champion

Guarantee Approved by American Shorthorn Breeders' Association

1.—Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2.—All bulls sold as separate lots are guaranteed breeders, provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3.—Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers are guaranteed breeders, except that calves sold by side of the dam as one lot and heifers under 16 months of age at the time of sale are not guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows and heifers bred for more than three months, according to the service date furnished at the time of sale, but not proving in calf, must be reported to the seller within three months after date of sale; all others served within three months prior to the date of sale, not settled or proving to be in calf must be reported within six months. Females over 16 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4.—Any animal not proving up to the foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for a retrial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, the purchaser shall be given the option of having the purchase price refunded without interest, or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply upon any animal later substituted.

5.—All animals are sold subject to a 60-day retest for tuberculosis, or to comply with the laws regulating tuberculosis of the State or Country into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian, or veterinarian deputized by the State Veterinarian, who is co-operating with Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction, except that the purchaser shall agree to accept a substitute.

6.—Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at his risk of loss or injury after being bid off.

7.—**TERMS:** Cash, except other arrangements are made with the consignors before the sale. All settlements to be made with the Clerk immediately after the close of the sale, but it shall be expressly understood that said Association assumes no liability, legal or otherwise, and that the above guarantee and terms shall constitute a contract between the consignor and purchaser of each lot.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.
